Dear Kevin and Bev:

On behalf of my sisters, Sandi Mueller and Barb Witkowski, I would like to thank you from the bottom of our hearts for hosting our fourth annual fundraiser with your anniversary celebration on November 3, 2011. As a result of your generosity, your hard work and the amazing effort that you put into making this fundraiser a huge success, we raised over \$12,000.00 this year, and for that we are eternally grateful. As our program is completely volunteer-driven, 100% of the money raised will go towards helping the wonderful families that we support. Since our inception in 2006, we have been honored to have supported 106 brain tumor families across the United States with the help of over 150 volunteers nationwide, adding 18 families in the past year alone. We currently have 67 families in our program, and we add to that number every month. The money raised with this fundraiser will help us to bring many smiles to their faces in the year ahead with gifts and other surprises sent to them on a regular basis. To some people, these little surprises may not seem like a big thing, but when you are fighting for your life every day as most of these children are, it truly is a big thing to know that there are people out there who love you and who are praying for you, and that is what our program does for them. That is what this fundraiser, and YOUR generosity, enables us to do for them, and for this, we cannot thank you enough. We deeply appreciate your support and the support and generosity of your patrons!

Sincerely,

Linda Thomas
